

Mustang Hayroll

November 2009

From The Principal's Pen:

We would like to give a **BIG THANK YOU** to all of the parents and staff for your help during our Fall Festival. It is a lot of work to get it going, but everyone always has such a great time. We could not do it without everyone's help and we thank you.

We are moving into our second nine weeks and things are moving quickly. Everyone keep up the good work. We have two drop off/pick up issues that need to be re-addressed:

There are **NO** vehicles allowed in the back bus loop along the east side of the school. This is for school buses **ONLY!** This is an OSHA violation to have any vehicles around our school buses. You need to be dropping off and picking up your child(ren) in the front areas as designated.

Also, a reminder that the **EARLIEST** any student can be on campus is **8:45 A.M.!!!** There is **NO** supervision until that time and breakfast is not served until then as well. Pickup time is **3:30 P.M.** If you cannot get here by that time, please call the school and let us know. If you need to there is a YMCA on campus that the children can stay in before and after school.

Thank you for your cooperation on these very important matters.

We are moving into the holiday season so things will be very busy for the next few months. Please be sure to check the calendar in this newsletter and always be sure to check your child's folder/backpack daily for any notes coming home.

Thank you for all of the support that you give to the school.

GO MUSTANGS!

Montez Wynn, Principal

We are trying as best we can to keep the germs to a minimum and really need your donations. If you can please send these items to Mrs. Whiteside in the front office.

Remember that we collect:

Box Tops for Education-box in Front Office

pull tabs from the cans (Ms. Cook)

Empty ink cartridges - Mrs. Whiteside

****If you pick up your child, please remember that if you get out of your vehicle, you CANNOT park along the sidewalk, you MUST park in a designated parking space and then walk up to get your child. You can stay in your vehicle and park along the sidewalk to pick up your child. Please remember that there is a "flow lane" between the parking spaces and the cars along the sidewalk and it must be kept flowing to make traffic flow smoothly.**
